COMMITMENT TO SOURCING THE BEST

The focus on using only the best ingredients takes the culinary team everywhere from
The Chesapeake Bay for local seafood, cattle farms in Texas for 100% certified black
Angus beef, all the way to Iceland for sustainable sea salt that is geothermally
formed in the fjords. While the culinary team is busy sourcing the best chops and
seafood, owner Jerry Hollinger frequents Amish country in Lancaster, Pennsylvania,
to source our hyper fresh produce directly from farmer's auctions - truly farm to table!
We hope that our desire to source the best delivers the taste & quality you deserve. Enjoy!

20% gratuity will be added to parties of six or more
